## Convocation at Carleton University

The Convocation ceremony (the calling together of the academic assembly) has its roots in university traditions of medieval Europe.

### The Mace

The mace is a staff symbolizing authority. In the days of knighthood, it was a weapon, but after the 16th century it became solely a symbol of authority carried by a distinguished member of an assembly. It is used on ceremonial occasions to signify the right of an individual or institution to perform a certain function—in the case of universities, to grant degrees.

At Convocation, the mace is carried ahead of the Chancellor as he enters and leaves each ceremony. (Marshal of Convocation H.H.J. Nesbitt has performed this function for all but one of the University's Convocations.) During the ceremony the mace is displayed on a special stand as an embodiment of the authority of the University.

Carleton's mace was presented to the University in 1976 as a gift from the Chair of the Board of Governors at that time, Mr. Hyman Soloway. It is a silver-plated staff approximately three feet long. At the upper end there is a bowl marked with the University's coat of arms and the University motto in both Latin and English—"Opera Nobis Aeterna" and "Ours the Task Eternal." From the upper portion of the bowl rises a phoenix. Traditional oak leaves surround the lower end of the staff.

### Coat of Arms

The coat of arms was presented to the University by His Excellency The Right Honourable Ramon John Hnatyshyn, Governor-General of Canada, on November 15, 1992 as part of Carleton's 50th anniversary celebrations. It is described in heraldic terms as follows: "Sable a maple leaf Gules irradiated and charged with an open book Argent; And for a Crest: on a wreath Argent Sable and Gules a Phoenix Gules quilled and beaked Or issuing from flames proper; And for a Motto: Ours the Task Eternal; And for Supporters: on a grassy mount on either side a raven Sable beaked and membered or armed Gules."

The open book on the maple leaf signifies that Carleton University is in the nation's capital and that learning is open to all who wish to partake of it. The phoenix, the legendary eternal bird, symbolizes the renewing of learning from older foundations, in recognition of Henry Marshall Tory's role in the founding of the University when he was 82 years old. "Ours the Task Eternal" is taken from a Walt Whitman poem entitled "Pioneers" and ties in with the eternal quality of the phoenix.

And so, the Carleton University coat of arms symbolizes sound learning, good citizenship, and the highest hopes of humanity.

### The Diploma

The diploma the graduates receive at Convocation is the certificate of qualification which publishes the fact that the student has fulfilled all the requirements and completed the prescribed course of study for the degree. As the senior academic legislative body of the University, it is the Senate which has determined whether the requirements have been met. The signatures of both the Chancellor and the President of the University appear on the diploma: the Chancellor because of his role in conferring the degree, and the President who, as Chair of Senate, certifies that Senate has enacted the required motion to award the degree. The Seal of the University is affixed to the diploma as a mark of authentication.

### Academic Dress

The academic dress of Carleton University results from a compromise between that found in the ancient foundations of Britain and Canada and the American Intercollegiate Code. All three hoods—bachelor's, master's, and doctor's—are of the simple or Oxford shape. The bachelor's hood is made of black stuff; the master's and doctor's are made of black silk and all are lined with silver silk with two chevrons, one of red and one of black. From bachelor's to doctor's, the hoods are progressively longer and opened to show more and more of the lining.

The velvet border of the hoods denotes the degrees granted according to the following colour combinations: architecture is cerise; arts is white; commerce is camel brown; computer science is royal blue; engineering is orange; industrial design is dark cardinal; journalism is white with a black cord sewn slightly in from the lower border; management studies is camel brown with a black cord sewn slightly in from the lower border; music is venetian pink; public administration is peacock blue; science is golden yellow; social work is cream; and doctor of philosophy is purple.

The bachelor's gown, to be worn with the above hoods, is of full length, made of black stuff, with a gathered yoke behind, and long open-fronted sleeves. The master's gown is of full style, made of black silk or rayon, with a full gathered yoke behind, and closed sleeves with an opening at the elbows. The doctoral gown is of the same style as the master's, but made of fine royal blue cloth with facings of light blue silk.

The two shades of blue in the doctoral gown are those of the United Nations, and are meant to recognize the University's long-standing interest, from its earliest years, in international affairs and issues. The colours were chosen when the University awarded its first honorary degree, in 1954, to the second Secretary General of the United Nations, the late Dag Hammarskjöld. The tradition of awarding honorary degrees to Secretaries General of the United Nations has continued since that time.

The gown of the honorary Doctor of Laws, Literature, Science, Engineering, Architecture or Fine Arts is a full robe with bell-shaped sleeves. It is made of fine royal blue cloth with facings and sleeves in light blue silk. The hood is made of the same material as the gown, has the same lining as that for the degrees granted by examination, and is bordered with dark mauve for the degree of Doctor of Laws; vibrant blue for the degree of Doctor of Literature; red for the degree of Doctor of Science; orange for the degree of Doctor of Engineering, cerise for the degree of Doctor of Architecture, and dark cardinal for the degree of Doctor of Fine Arts.

### Alumni Park

Weather permitting, today's Convocation ceremonies are being held outdoors in Alumni Park which was dedicated in 1992, at the initiative of the Carleton University Alumni Association, to commemorate the University's 50th anniversary. The arbour under which the Chancellor, the President and Vice-Chancellor, the representative of the Board of Governors and the faculty are seated is a generous gift from the Association. It provides a permanent stage for Carleton's Convocation ceremonies and other events such as theatrical productions, concerts, and the like. Future plans for the Park include an enhancement of the existing fountain area with the construction of a plaza and landscaping to open up views to the Rideau River.

## Honorary Degree Recipient

Flora MacDonald, P.C., O.C., L.H.D., LL.D., D.C.L., D.Hon., F.R.S.A.

The Honourable Flora MacDonald, Chair of the International Development Research Centre and former Member of Parliament, will be awarded the degree of Doctor of Laws, *honoris causa*, at the afternoon ceremony on Saturday, June 15, "in recognition of a distinguished career in the service of Canada as a Member of Parliament and Minister of the Crown, exemplifying a continuing concern for human rights, development, and refugee issues."

Flora MacDonald was born and educated in North Sydney, Nova Scotia. She is a graduate of Empire Business College and, in 1972, became the first woman to graduate from the prestigious one-year National Defence College course in Canadian and international studies.

Ms MacDonald's career in the political world began in 1957 when she became Executive Director of the Progressive Conservative Headquarters, a position she held until 1966. She spent the next six years as an administrative officer and tutor in the Department of Political Studies at Queen's University. From 1966 to 1969 she was also National Secretary of the Progressive Conservative Association of Canada.

Flora MacDonald served as Member of Parliament for Kingston and the Islands from 1972 to 1988. During that time, she held three Cabinet positions: Secretary of State for External Affairs (1979-80); Minister of Employment and Immigration (1984-86); and Minister of Communications (1986-8). During her time as an Opposition Member of Parliament, she held the critic's position for Indian Affairs and Northern Development, Federal-Provincial Relations, External Affairs, and Status of Women.

Flora MacDonald was Visiting Fellow at the Centre for Canadian Studies of the University of Edinburgh from September to December, 1989, and Special Adviser to the Vancouver-based Commonwealth of Learning from August, 1990 to October, 1991. From 1990 to 1994, Ms MacDonald was host of the popular television series, *North South*, a weekly human affairs series featuring countries in the developing world. In 1989, she was appointed by the Secretary-General of the United Nations as Member: Eminent Person's Group to Study Trans-National Corporations in South Africa. From 1990 to 1994, she served as Chair of the Capital Fundraising Campaign at Mount St. Vincent University, Halifax.

In June, 1992, Flora MacDonald was appointed Chair of the International Development Research Centre. She is also currently Director of numerous companies and organizations including: Canada Trust Company; Canadian Civil Liberties Association; CARE Canada; Centre for Refugee Studies, York University; Friends of the National Library; Queen's University Council; Refugee Policy Group, Washington, D.C.; and the Shastri Indo-Canada Institute.

Ms MacDonald is a Fellow of the Royal Society of Arts, London, U.K., Patron of the Commonwealth Human Rights Initiative, and Honorary Patron for Canada of the National Museums of Scotland.

Flora MacDonald is the recipient of nine honorary degrees from universities in Canada, the United States, and Great Britain: Doctor of Humane Letters (Mount St. Vincent, 1979); Doctor of Laws (McMaster University, 1980; University of Maine, 1980; Queen's University, 1981; York University, 1989; Royal Military College, 1990); Doctor of Civil Law, (Acadia University, 1984; State University of New York (Potsdam), 1988; ) and Doctor (*honoris causa*) (University of Edinburgh, 1992).

In April, 1993, Flora MacDonald was named an Officer of the Order of Canada.
